

GOPHER SPORT

Since 1947, Gopher Sport has been a proud member of the southern Minnesota community. To reflect our community commitment, we give generously every year to local non-profit organizations supporting people in need physically, spiritually and/or emotionally. Gopher Sport has a designated Giving Team who review all donations requests. We give special consideration to non-profit organizations meeting our gift criteria if recommended by a team member. We also provide gifts to local organizations supporting youth and families, especially if they align with our mission to help people live active and healthy lives.

Gifts can be requested by submitting a formal request to the Giving Team at givingteam@gophersport.com. You will be notified by the Giving Team if your request is eligible for a gift.
